**AGENDA:** Outstanding issues of Operations, BOFLAND-UKSTAIR

**UKSTAIR**

1. UKSTAIR

- a. Means of testing the effectiveness of his apparatus.
- b. The necessity to procure cut-outs to his main agents abroad.

2. UKSTAIR

- a. Decisions on the following issues:
  - (1) In whose name the two mobile stations will broadcast to Greenland.
  - (2) In whose name the initial leaflet drops should be made and what these leaflets will say.
  - (3) Where leaflets will be printed.
- b. The feasibility of a mailing and rumor campaign into Greenland.
- c. The possibility of having VOA announce, when the time comes, that two new underground stations have been heard in Greenland.
- d. Exploration and research on the advisability of using medium wave transmitters against Finkland and Greenland. Mr. Fritchett of FBI has been charged with this responsibility. FBI's main concern in this is seeing that results are obtained as quickly as possible.
- e. When the initial Bremer National Committee broadcasts will begin and what their content will be.

3. UKSTAIR

- a. The desirability of establishing an overt holding area for Bremer and the problem of its location.
